Please read and sign the bottom indicating that you understand and agree to each item.

1. I understand and expect that college classes are more rigorous and require more time than most high school courses. I am willing to devote the time and effort needed to do well.
2. I understand that I must meet all TSI requirements before courses begin.
3. I understand that I must meet all UIL rules to participate in extra-curricular activities.
4. I understand that attendance is required for all scheduled class meetings.

9. I understand that if I break a NC policy and am removed from the class, my continued enrollment in dual credit/Higher Start will be at risk.
10. I understand that I must maintain a college GPA of 2.0 and pass all high school courses with a minimum average grade of 70 to continue to be able to take dual credit courses.

16. I understand that failure to reimburse CISD for tuition/fees/access codes for dropped or failed courses will result in a hold on all CHS transcripts, which will prevent me from enrolling and registering for any classes at the post-secondary level.
17. I understand that I may be required to meet upon request with CHS Administration regarding any of the above policies.
18. I understand that failure to adhere to any of the above policies may prevent me from taking future dual credit courses.
