

Common Assessments & Pacing Calendar Expectations

- *Non-negotiable* – found on CISD Curriculum Page under your specific grade-level
- *Assessments will be uploaded to CISD Curriculum Page for copying*
- *Scantrons uploaded into DMAC within a week of the test. Print scantrons ONLY to a copy machine; otherwise, these may not scan correctly*
- *Plain paper scantrons -- uploaded into DMAC within 48 hours of test date – K - 1st Grades – 1 week*
- *Dark bubbling is required for Scantrons to be read through the systems*
- *DMAC – breaks down SEs: teachers, grade level, ethnicity, socio-economic, etc. – This data drives reteaching!*

About the Unit Assessments and Content on Pacing Calendar:

- *Standards drive the Instruction for the Unit*
- *SEs within the particular unit on the pacing calendar are the SEs that will be on the common assessments*
- *Pacing calendar should keep you on target within a few days – not a few weeks*
- *Common Assessments are the GOAL of the unit content*

SE, We Will, and I Will Statements:

Student Friendly – “I Will” is the ACTUAL student work!
I will describe how John and Jane’s relationship caused the conflict in the school cafeteria in my journal.

- *These also help drive instruction for the daily classroom routine*
- *These statements are not the same in content and must contain ACADEMIC vocabulary*
