

CORSICANA HIGH SCHOOL

AVTECH

MRS. KAREN VANDIVER

Dear Parent:

Your son/daughter is enrolled in AVTech. This course is an exploratory course with an emphasis on visual and electronic communication technologies. A/V Technology will help students to build upon their existing audiovisual knowledge by exploring new concepts, techniques, technologies, tools, and applications. Students will attain a thorough understanding of various A/V system attributes. This will include digital and analog video, image and signal processing, centralized control and management, switching, system design, as well as new and emerging technologies and solutions. These acquired skills and capabilities can then be applied while being a part of the A/V TECH Club. As a member of this club, students will confront hands-on simulations at Tiger Stadium, where they will have the task of planning and executing real-world A/V scenarios.

The Arts, A/V Technology & Communications Cluster focuses on careers in designing, producing, exhibiting, performing, writing, and publishing multimedia content including visual and performing arts and design, journalism, and entertainment services. Your student will receive 1 credit for this course if they successfully complete the year. This will include one Technology credit.

Attached is the Care of Equipment policy and Discipline policy and classroom rules. Please review and sign the bottom of this letter and return it with your son/daughter tomorrow. Be sure to include a phone number where you can be reached during the school day. You may keep the actual policies for your records.

Please feel free to contact me with any questions or concerns you may have during the school year. I can be reached at 874-8211 extension 4172 or preferably by email at kvandiver@cisd.org.

Sincerely,

Mrs. Karen Vandiver

Parent Agreement:

I have read the Care of Equipment and Discipline policy for **AVTech** and agree to help my son/daughter be successful by encouraging him/her to always finish homework, follow the school rules, and communicate with his/her teacher whenever necessary.
