

CONNECT WITH CORSICANA ISD

ONLINE

CORSICANA ISD website -- www.CISD.org

See news and information, photos, access teacher pages, contact info, login links, and much more! **TxConnect** – Parent Portal is an online resource for parents/guardians to check grades, absences, and tardies as they are entered into the system. If you don't have an online parent account already, you can follow the directions from this link. CISD.org > Parents & Students > TxConnect

PHONE and TEXT

School Messenger is our phone system dispatch that releases a recording and/or text of urgent information to multiple phones at once. This system works well, as long as the school and district have your most current phone number. Multiple phone numbers may be listed for each student in our notification system.

SMART PHONE APP

If you have a SMART phone (Android or iPhone) you can download a FREE mobile app from SchoolWay. Search for "SchoolWay," download the FREE app and then select Texas and Corsicana ISD. You can also choose which schools in our district you'd like to hear from by way of push notifications.

SOCIAL MEDIA

CISD is connected to a variety of Social Media sources. We encourage you to connect with CISD on Facebook and Twitter. Search "Corsicana ISD"

E-NEWS

Through Constant Contact, CISD will publish a monthly e-newsletter full of information and news about CISD. This newsletter will be distributed directly to your e-mail inbox at the beginning of each month. Anyone can subscribe to the newsletter through the front page on the CISD website, or by providing an email address on the Communication Preference form.

LOCAL MEDIA

You can learn about special projects and news information from a variety of news sources. When necessary, school closings will be announced on all CISD's communication links as well as local media sources – Corsicana Daily Sun, KAND 1340 AM, and the RANCH Radio 106.9 FM. DFW television stations are also notified in the event of school closings.

MAIL

CISD will send mail with important information to households that have limited electronic connection via computer and smart phone. In addition, students may also bring home items distributed at school and in class.

These resources are available to you to stay connected to CISD and your school(s) of choice. It is **IMPORTANT** that we have your most current e-mail, phone, and mailing address on file in our Student Information System. To make a change, or addition to your account:

1. Stop by the office of your school or the administration office and pick-up a Change of Information form.
2. Change of Information forms are also available online at www.cisd.org under the Parent Resources section.
3. Each student is allowed multiple entries for guardian contact information.
