

ACT PREPARATION CLASS

Corsicana ISD is providing an opportunity for high school students to attend the TESTWISE preparation program for the ACT. This is a 32 hour course which addresses all areas of the ACT-mathematics, science, critical reading, and English. In each core content class, students review concepts tested on the ACT and learn the test-taking strategies applicable to that section of the test. Students practice on materials created by the ACT Corporation, and they will take 2 real ACT practice tests.

Each student receives:

- A notebook containing all the instructional materials used in class
- *The Real ACT Prep Guide*, by ACT
- TestWise canvas materials case

Classes will be taught on the dates and times listed on the back of this flier. Classes will meet at Corsicana High School. Limited spaces are available, so **parents and students must commit that the enrolled student will attend every class session.** Approximately 20-30 students will be able to enroll in each session. Students who miss a class may be dropped from the course with no refund.

Student Name _____

Parent/Guardian's Name (s) _____

Street Address _____

Phone Numbers: Home _____ Parent Cell _____

Emergency Contact: Name _____ Phone Number _____

Student Cell _____ Student Email _____

Cost: \$185 (Please make checks payable to Corsicana ISD.)

Scholarships are available for those on free and reduced lunch. Contact Mrs. Simpson

COURSE COMMITMENT:

I understand that spaces are limited for this course. By registering I commit that I/my student will attend each class, will be on time, will stay for the full session, and will behave appropriately. I also agree that should I/my student not fulfill this commitment I/he or she will be removed from the class. (Both parents and students must sign commitment.)
