

ACT PREPARATION CLASS

Corsicana ISD is providing an opportunity for high school students to attend the TESTWISE preparation program for the ACT. This is a 32-hour course which addresses all areas of the ACT-Math, Science, Reading and English. In each core content class, students review concepts tested on the ACT and learn the test-taking strategies applicable to that section of the test. Students practice on materials created by the ACT Corporation, and they will take 2 real ACT practice tests.

Each student receives:

- A notebook containing all the instructional materials used in class
- *The Real ACT Prep Guide*, by ACT
- Test Wise canvas materials case

Classes will be taught on the dates and times listed on this flier. Classes will meet at Corsicana High School. **Parents and students must commit that the enrolled student will attend every class session.** Approximately 20-30 students will be able to enroll in each session.

Student Name _____

Parent/Guardian's Name (s) _____

Phone Numbers: Home _____ Parent Cell _____

Student Cell _____ Student Email _____

Cost: \$185 (Please make checks payable to Corsicana ISD.)

Scholarships are available for those who qualify. Contact Mrs. Simpson

COURSE COMMITMENT:

I understand that spaces are limited for this course. By registering I commit that I/my student will attend each class, will be on time, will stay for the full session, and will behave appropriately.
