

SAT PREPARATION CLASS

Corsicana ISD is providing an opportunity for Junior and Senior students to attend the TESTWISE preparation program for the SAT. This is a 24- hour course which addresses all areas of the SAT-mathematics, critical reading, writing and English. In each core content class, students review concepts tested on the SAT and learn the test-taking strategies applicable to that section of the test. In addition, students practice with materials developed by the College Board. In the vocabulary class, students learn words that frequently appear on the SAT. Students should see their counselor for additional information, or if they have questions.

Each student receives:

- A notebook containing all the instructional materials used in class;
- *The Official SAT Study Guide* by the College Board;
- Test Wise canvas materials case.

Classes will be taught on the dates and times listed on this flier. Classes will meet at Corsicana High School. **Parents and students must commit that the enrolled student will attend every class session.** Approximately 20-30 students will be able to enroll in each session.

Student Name _____

Parent/Guardian's Name (s) _____

Phone Numbers: Home _____ Parent Cell _____

Student Cell _____ Student Email _____

Cost: \$185 (Please make checks payable to Corsicana ISD.)

Scholarships are available for those that qualify. See Mrs. Simpson
