Corsicana Independent School District has a membership of approximately 6,000 students in grades pre-kindergarten through 12, on 9 campuses. The 2018-19 budget is 59 million dollars. The school district expended federal financial assistance for several programs including National School Lunch Program, ESEA Title I Part A - Improving Basic Programs, ESEA Title I Part C - Education of Migratory Children, ESSA Title II, ESSA Title III, ESEA Title VI - Innovative Education Program and Title IV Rural and Low Income.

The audit is to be performed in accordance with generally accepted government auditing standards contained in the *Texas Education Agency Financial Accountability System Resource Guide*.

The financial statement audit is to determine whether (1) the financial statements present fairly the financial position, results of operations, and cash flows or changes in financial positions in accordance with generally accepted accounting principles, and (2) whether the Corsicana Independent School District has complied with laws and regulations for those transactions and events that may have a material effect on the financial statements. The financial related audit will also include determining whether (1) financial reports and related items are fairly presented, (2) financial information is presented in accordance with established or stated criteria, and (3) the school district has adhered to specific financial compliance requirements.

To comply with Office of Management and Budget Circular A-133, a study and evaluation of internal control will include internal accounting and administrative controls for major federal financial assistance programs, in accordance with standards for risk assessment for major federal financial assistance. Any material weakness noted during the study and evaluation of internal accounting and administrative controls and other kinds of noncompliance and questioned costs will be reported in

accordance with the Single Audit Act.

As part of the audit of the financial statements, transactions and records pertaining to federal programs will be tested for material compliance with federal laws, rules, and regulations and all instances of noncompliance will be reported to the school district.

The audit will include the performance of certain audit procedures for the purpose of reviewing the accuracy of fiscal information provided by the district through the Public Education Information Management System (PEIMS), as required by Section 44.008(b) of the Texas Education Code.

The audit will include procedures applicable to compensatory education funds as required by Module 9 of the Financial Accountability System Resource Guide, if required.
