

**STUDENT AGREEMENT FOR ACCEPTABLE USE OF THE
ELECTRONIC COMMUNICATIONS SYSTEM
2013-2014 School Year**

You are being given access to the District's electronic communications system. Through this system, you will be able to communicate with other schools, colleges, organizations, and people around the world through the Internet and other electronic information systems/networks. You will have access to hundreds of databases, libraries, and computer services all over the world.

With this opportunity comes responsibility. It is important that you read the District policy, administrative regulations, and agreement form and ask questions if you need help in understanding them. Inappropriate system use will result in the loss of the privilege of using this educational tool.

Please note that the Internet is a network of many types of communication and information networks. It is possible that you may run across some material you might find objectionable. While the District will take reasonable steps to restrict access to such material, it is not possible to absolutely prevent such access. It will be your responsibility to follow the rules for appropriate use.

RULES FOR APPROPRIATE USE

- The account is to be used only for educational purposes.
- You will be held responsible at all times for the proper use of your account, and the District may suspend or revoke your access if you violate the rules.

INAPPROPRIATE USES

- Using the system for any illegal purpose.
- Using someone else's account.
- Sharing your password
- Downloading or using copyrighted information without permission from the copyright holder.
- Posting messages or accessing materials that are abusive, obscene, sexually oriented, threatening, harassing, damaging to another's reputation, or illegal.
- Wasting school resources through improper use of the computer system.
- Gaining unauthorized access to restricted information or resources.

CONSEQUENCES FOR INAPPROPRIATE USE

- Suspension of access to the system;
- Revocation of the computer system account; or
- Other disciplinary or legal action, in accordance with the District policies and applicable laws.

I understand that my computer use is not private and that the District may monitor my activity on the computer system, including but not limited to: logging all internet traffic and sites visited, logging all search queries, remotely viewing of the screen, viewing any files saved on or connected to any district resource (including "flash" drives, CD media, local PC hard drive, network drives, or internet websites), and viewing any email messages sent or received while at school or using school resources.

I have read the District's electronic communications system policy and agree to abide by their provisions. In consideration for the privilege of using the District's electronic communications system and in consideration for having access to the public networks, I hereby release the District, its operators, and any institutions with which they are affiliated from any and all claims and damages of any nature arising from my use of, or inability to use, the system, including, without limitation, the type of damages identified in the District's policy.
