

Registration and Login Instructions

Please follow the instructions below to begin using *Kuder®Navigator* online educational and career planning system.

Registration

- Go to *Kuder®Navigator* at www.kudernavigator.com
- Select **New Users** from the Login Area to begin the registration process.
- Select **Student** and choose your grade level from the drop down menu.
- Click **Continue** to create your account.
- During the process you will need to create a unique user name and password. Write down your user name and password and save it in a safe place for future reference. You will need your user name and password every time you log on to the website.

User Name: _____

Password: _____

- You will also be asked to enter your school's **N Activation Code**. This code number will only be needed during this registration process. After you register, your user name and password will give you access to your account.
N Code: N3787363VFQ
- You must provide an email address.
- You do not have to include your student ID; you can leave that box blank.
- Be sure to check the box next to "I have read and agree to the terms and conditions of use."
- Click **Register** to complete the process.

Navigator Home Page

Once you have created your account, you will be directed to your *Navigator* home page to access the system's tools and resources via the top navigation menu. You can also begin taking your assessments from the home page. After you complete the assessments, you can review the results by going to the home page and clicking on **Learn About Myself** from the top navigation menu. Also from the **Learn About Myself** page, you will be able explore careers that interest you.

For High School Students

You can access the resume template by going to the **Plan For Work** button from the top navigation menu on your home page. The resume builder consists of blank spaces for you to list your accomplishments and other information. List the appropriate information in each box then choose a format type for your resume. Once that is complete, you will have a professional looking resume. Print the resume and bring a copy to your next CAP appointment.
