

# Discipline and Grading Policy for Kasprzyk's Physics Classes

## Class Rules

1. Be seated and have homework out when the bell rings. All backpacks, bags, and purses will be placed in the designated area.
2. Stay on task. If there is a warm up exercise, do it!
3. Bring appropriate materials and assignments.
4. Respect other people in the class and their property.
5. Use electronic devices only when authorized.
6. Follow all lab rules and instruction.

The following actions will be taken when a student behaves inappropriately:

1. First -Warning
2. Second -Detention and/or lowering of citizenship grade by one letter
3. Third -Office referral
4. For severe misbehavior, a student will be sent to the office immediately.
5. Cell phones will be taken up and returned at the end of class when not authorized.

---

Course descriptions, lab rules, and syllabi are available through my website. Paper copies of syllabi and lab rules are available upon request. PLEASE read the other side of this page.

I may be emailed at [dkasprzyk@cisd.org](mailto:dkasprzyk@cisd.org)

-----

Please return this portion with parent/guardian signature

I have read this and am aware of the discipline and grade policy for **Mr. Kasprzyk's Physics Class**

Student Name \_\_\_\_\_

Parent/Guardian Name \_\_\_\_\_ Signature \_\_\_\_\_

Contact number/Email \_\_\_\_\_

# Physics Grading Policy

Test 50 %

Labs and Major Quizzes 30%

Homework, Daily, and Minor Quizzes 20%

Supplies Needed:

## **Composition Note Nook**

### **Folder**

This will be for returned papers.

Something to write with is a must, but I am flexible as to whether it is pen or pencil. Pen colors should be blue or black (something easy to read, BUT absolutely no red for assignments).

Calculators are provided in class, but it is recommended that students have a calculator for homework. Some math classes issue calculators for students to use at home, also there are free and inexpensive smart phone apps available.
