

Physics Lab Safety Contract

Please read these rules carefully and sign only with a complete understanding of them.

- I WILL:**
1. not conduct a lab without my teacher present.
 2. always work at my assigned station.
 3. always wear safety goggles when eye injury is possible.
 4. tie back my long hair (if applicable).
 5. clear my lab table of personal belongings.
 6. never perform an experiment without permission from my teacher.
 7. avoid distracting and disruptive behavior.
 8. never eat or drink in the lab.
 9. never leave a heating container unsupervised.
 10. report all accidents to my teacher.
 11. report any suspected defective equipment to my teacher.
 12. not wear excessive jewelry that may snag equipment while completing lab work.
 13. avoid wearing open-toed shoes while completing labs.
 14. know how to perform the lab before beginning the lab.
 15. clean my lab station and put away all equipment and materials at the end of each lab, period unless instructed not to.
 16. learn special safety precautions that are taught prior to each lab.
 17. follow the teacher's instructions and precautions.
 18. not look into laser beams or point the beam into other students' eyes. (This is considered a severe violation.)
 19. ask what to do if you are unsure.
 20. avoid the paths of projectiles.
 21. follow any specific directions for a given lab.
 22. not text or use digital media while pre-lab discussion is conducted.
 23. not text while lab is conducted.
 24. have fun and make the most of the learning experience.

I _____(name) will abide by the Physics Lab Safety Contract.
I understand that failure to willingly follow the contract will result in the appropriate disciplinary action as stated in the discipline policy and a reduction of my lab grade.
