Dear Parents, Guardians or Employer of a Junior ROTC Cadet:

The Air Force Junior ROTC program at Corsicana High School includes many activities outside the classrooms that cadets **MAY** participate in but are not required to participate. The exception are the **HOME FOOTBALL GAMES**. Here is the schedule for the Fall 2018 semester. Although most activities aren't mandatory, we strongly consider cadets participate. When necessary, we will provide more information or a permission slip as the activity approaches.
