 TX-952 “BEST IN BLUE”

Dear Parents, Guardians or Employer of a Junior ROTC Cadet:

The Air Force Junior ROTC program at Corsicana High School includes many activities outside the classrooms that cadets MAY participate in but are not required. Here is the schedule for the Spring 2019 semester. Although most activities aren't mandatory we strongly consider cadets to participate. When necessary we will provide more information or a permission slip as the activity approaches.
