

## SHAC Minutes of 10/12/2016

Lunch

Introductions of all members

Parent co-leader will be Jennifer Carlisle. Secretary will be Deana Ashley

SHAC described as a state mandatory council that will be made up of parents, community members and faculty members. There will be more parents than community members and faculty members.

Reviewed the Whole School, Whole Community, Whole Child Model (See below)

Last school year Cyber Safety decided to be SHAC's emphasizes.

Showed videos that were played at Back to School Rally, and videos and discussion guide that is played at CISD campuses.

Discussion occurred of what information parents need to help them with their child's devices. Members discussed need of safeguards and filters for parents to use. Some apps were mentioned that parents can download to put safeguards on their child's devices, like teensafe, circle, mguardian. Hope Center has cyber safety in their discussion time with students. College day at CHS were emphasizing digital citizenship. Phone/Internet Contracts for parents to have between them and parents, is an option.

Website Common Sense media was mentioned for SHAC members to look at before our next meeting. Any other information about phone contracts and how to communicate with parents will be discussed at next meeting.

Next Meeting is December 7, 2016.

\*Formerly known as the Association for Supervision and Curriculum Development
