

SHAC Minutes

2-07-2018

When health is absent, wisdom cannot reveal itself, art cannot manifest, strength cannot fight, wealth becomes useless, and intelligence cannot be applied." Herophilus

Lunch

Flu in the district was discussed. Administration is checking daily attendance to see if an excessive amount of students are absent. Talked about how district has been deep cleaning schools that have had a higher rate of absentee. The district has purchased 2 electrostatic sprayers to help disinfect classrooms more thoroughly.

CISD Wellness Goals for Nutrition Promotion

Update on Breakfast in classrooms-Navarro Elementary has been offering 2 options for breakfast. The students appear to enjoy the options. Of the 14 days in January and the students that are present by tardy bell, 83% of the students have eaten breakfast. CISD is hoping to implement breakfast for student who arrive 30 minutes after tardy bell by March 2018.

Free and Reduced Lunch Forms-Much of the time was spent on the free and reduced form. If a student has over 3 days of charges they are given a cheese sandwich. Brainstorming idea: *Computers and People to assist with forms to be set up at Back to School rally and at Meet the Teacher night on Elementary Campuses; *Front sheet of form when charges will begin, cost of meals, if chargers over a certain amount student not able to charge, easy to read; *Have form available

beginning July 1 for all parents of new students to CISD to fill one out at time of enrollment during the summer months; *Incentives to return forms *Secretarial help for child nutrition to enter information into computer*Forms available at Back packs of love; *Information on Website when Forms are available' *Ensure there is a Spanish form; *Make a YouTube video of how to fill out form. Several questions raised: What is the problems at the beginning of the year re: lunch forms? How are the campuses ensuring that parents are aware of money being due? How do you effectively communicate with parents of students on secondary campuses?

Meetings, April 11-Discuss Wellness Goal for Shared Table Program

Carla Whitt, BSN, RN

Health Coordinator of CISD
